

High-Quality Prekindergarten Grant Frequently Asked Questions

General

1. **Is a school district that applies for the PreK grant allowed to operate a half-day four-year-old program or must all grant applicants assert that they will operate a full-day four-year-old PreK program for the 2016-17 school year?**

A school district or charter school may operate a half-day PreK program with grant funding and is not required to assert that the district or charter will operate a full-day program.

2. **Is it possible to use the funding to provide a full-day PreK program?**

Use of the grant funding to support expansion to a full-day PreK program is allowable.

3. **Services must be aimed at improving the quality of the PreK program: does this assume that eligibility applies only to already existing programs or can new programs be implemented?**

The High-Quality PreK Grant program provides supplemental funding to districts and charter schools to implement new or enhance existing PreK programs in addition to the half-day Foundation School Program (FSP) funding that is already received for each eligible four-year-old PreK student.

4. **Can English as a Second Language (ESL)/bilingual support be included in services?**

Yes, if the ESL or bilingual support provides educational services aimed at improving the quality of PreK education to qualifying students.

Teacher Requirements

1. **There are some teachers that do not have the PreK endorsement because they took extra hours of professional development in order to teach PreK to be in compliance with Texas Education Code (TEC), Chapter 21. Is there then a change to TEC Chapter 21 for PreK or does HB 4 simply require the additional qualification?**

There is not a change in TEC Chapter 21. The HB 4 High-Quality PreK Grant program requires additional teacher qualifications.

2. **When will teachers be required to meet the qualifications for High-Quality PreK grant?**

A teacher must meet the teacher qualification requirements before the end of the 2016-2017 school year.

High-Quality Prekindergarten Grant Frequently Asked Questions

3. When considering an undergraduate degree, does the undergraduate degree need to read, “Bachelor in Early Childhood”?

The degree would not need to have a specific title, but would need to clearly indicate that the degree is in early childhood education in order to meet the requirement. Some examples of appropriate degrees include the following:

- Bachelor of Arts in Early Childhood Education
- Bachelor of Science in Early Childhood
- Bachelor of Science in Early Childhood Development
- Bachelor of Science in Education/Early Children Education

4. How will a district or charter school know if a specific degree is allowable?

The district or charter school should list any specific degrees in the application when addressing the question regarding teacher qualifications. Approval of the grant application will indicate approval of the qualifications included in the application.

5. What type of degree meets the teacher requirements?

A bachelor’s degree, master’s degree, or PhD in early childhood education or early childhood special education would meet the qualification.

6. Can teachers who will be required to have the 150 hours of PD use professional development hours from previous years if they have appropriate documentation?

Yes.

7. Will the Children’s Learning Institute provide documentation of completion of Texas School Ready (TSR) training?

The Children’s Learning Institute should be able to provide documentation to the district or charter school upon request.

8. When can districts offer and pay for professional development out of grant funds?

Professional development enabling a teacher to meet the teacher qualification requirements may be funded by the High-Quality PreK Grant beginning with the notice of grant award and continuing through August 31, 2016.

9. Would any of the six listed qualification requirements be a means to a certificate in early childhood?

At this time, the six teacher requirements are not pathways to a certificate in early childhood.

High-Quality Prekindergarten Grant Frequently Asked Questions

Funding

- 1. Will there be a deadline for using all grant funds or will districts be allowed to roll forward any unused funds to the following year?**

The grant end date is August 31, 2017 with no carryover.

- 2. How long will the funding last?**

The grant funds are available through August 31, 2017. Future funding is contingent upon future appropriations from the legislature.

- 3. Can a district apply for the grant for just a select group of campuses or does it have to apply for all campuses in the district?**

A district or charter may apply on behalf of only a portion of its campuses. If the district or charter intends to apply for some, but not all campuses, the application must list the campuses that would receive funding if the district or charter is deemed eligible.

- 4. How is the grant funding calculated for awards?**

Funding will be based on the number of eligible applicants and the number of eligible four-year-old students enrolled in PreK at the time of the 2015-2016 snapshot data report.

- 5. If a district or charter school receives less than \$1,500 per student, is the district or charter still required to meet all of the grant requirements?**

Districts and charter schools will be required to meet all of the grant requirements as a condition of receiving the grant funding.

- 6. If I have 22 eligible PreK students according to 2015-2016 data, but next year (2016-2017), I only have 12 eligible students, will I still get the funding for 22?**

A change in enrollment from the 2015-2016 school year to the 2016-2017 school year will not change the award amount.

High-Quality Prekindergarten Grant Frequently Asked Questions

Curriculum

- 1. Will a TEA-approved list of instructional materials be provided and/or posted on the TEA website?**

The instructional materials currently adopted by the State Board of Education may be viewed at https://tea4avfaulk.tea.texas.gov/ematevi/EMATREPORTS/RptInst/EM_CURR_ADPN.pdf

- 2. Our PreK curriculum is written by the district, but our adoption is Pearson OWL. Is that what would be listed as our PreK curriculum?**

A school district or charter school must select and implement a curriculum for a High-Quality PreK Grant program that addresses the *Texas Prekindergarten Guidelines (Updated 2015)*. The district should list all curriculum that will be used to address the prekindergarten guidelines including district-developed curriculum and purchased curriculum and instructional materials, as applicable.

Family Engagement

- 1. Is there a list of TEA-approved Family Engagement programs?**

TEA does not have a list of approved family engagement programs. However, administrative rules include suggested strategies for each component of the required family engagement plan.
